## BOARD OF TRADE MEETING.

I hereby call a special meeting of the Board of Trade to be held in Whittington's Hall, Tuesday night, at 8 p. m. the purpose of which is to devise ways and means for the better protection of the lives and property of our citizens against the holdups of highwaymen whose nefarious night operations are assuming alarming proportions—even on the most prominent streets of our city. This is a matter of vital importance and I urgently request the attendance of every one who is the friend of law and order.

11-21. S. Zuckerman, President.

L. B. Roberson the ever wide awake proprietor of the Racket Store looks up today with an extensive "ad," to which we urgently call the attention of our readers. My energy, business sagacity and judicious advertising Mr. Roberson has built up an enormous trade and brought the Racket Store into prominence as broad and deep as is the Indian Territory. When he has inducements to offer he speaks in unmistakable terms through the papers, the only medium known by which all classes can be reached. Mr. Roberson is a hustler and the Racket Store is strictly in the swim.

The Central Hotel continues to gain in popular favor. Mr. Ladd the genial proprietor, took it when it was a mess in the public nostril and by a complete revolution in its past manner of conduct and by the best of treatment to all guests he has given it a reputation second to none in the city. The Ardmoreite feels proud to state that no one need hesitate to take apartments at the Central feeling perfectly safe in all their surroundings.

Mrs. Jennie Pierce, of Denton Tex., desires to rent a hotel in Ardmore. Any one having such property to dispose of, would do well to correspond with her.

Moritz & Goldman will dissolve partnership Jan. 1st. Until that time their entire stock will be sold at actual cost for cash.

Green & Co. will kick the bottom out of holiday goods. We mean business. Come and see our well assorted stock.

Do the merchants and other business men realize that it costs them something to light these houses at night? If they did not make money by it would they incur such an expense? Would not well lighted streets increase their evening trade? Certainly. This being true, the plea of needless expense is a nullity.

ONE QUARTER OFF on clothing at the Big Iron Store.

Wanted—To trade a good team of horses for a place in Ardmore. Call on me early.

## Election Notice.

Office of the City National Bank, Ardmore, I. T., Dec. 9, 1893.

A meeting of the Stockholders of this bank will be held on  
TUESDAY JANUARY 9, 1894,  
At their banking house between the hours of 10 o'clock a. m. and 4 o'clock p. m. for the purpose of electing seven directors to serve the ensuing year.

See Chas. Sacra, when you want draying or hauling of any kind done. He attends closely to business and can be found at Fielder Bro's. 12-7 tf.

We still hear talk of an opera house. Heretofore all figures have been too high to reach. Every attempt heretofore has fallen through with, because it would take about all the money available to buy the ground for it to stand on. But if a more retired location could be obtained then the difference between it and the value of the best business lots could be used to build the house. The best plan would be to get such a lot and then build a good, substantial, plain brick structure and put most of the money on the inside. The house should be used only for an opera house and it could be made only one story. A splendid one could be built for the same money, that the new Methodist church on Denton street cost.—Hesperian.

We are headquarters for holiday goods. Call and look through our stock. We will sell anything for a small profit. Green & Co.

ATTENTION JOHNNY REB.
